Dear Sir or Madam

Global MSC Security

Torbay Council has employed Global MSC Security on a number of occasions to undertake major projects relating to the Councils CCTV network and overall Community Safety/Security functions.

These projects have been completed to a high standard, delivering the required outcomes within the agreed time scales, with all reports and presentations delivered to in a professional manner.

Confidentiality has been maintained at all times as well as compliance with the Council policies, formats and processes.

I would have no concerns about recommending Global MSC Security and would certainly engage them in any future projects undertaken by the Council.

Yours faithfully
